Posibles incidencias en la instalación

Possible incidents during the installation

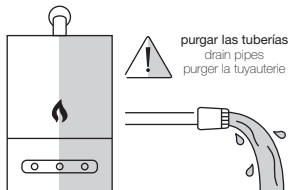

Incidents possibles pendant l'installation

Tras un cambio o mantenimiento de la caldera, se recomienda purgar las tuberías y limpiar los filtros antes de utilizar cualquier grifería.

After a change or maintenance of the boiler, it's recommended to drain the pipes and to clean the filters before using any taps.

Après un changement ou un entretien de la chaudière, il est recommandé de purger les tuyaux et de nettoyer les filtres avant d'utiliser un robinet.
